FROM THE DESK OF

MARK * CARNEY

April 4, 2025

Michel Cormier
Executive Director
Leaders' Debates Commission

Dear Mr. Cormier,

Thank you very much to you and to the Leaders' Debates Commission for the invitation to participate in the French and English leaders' debates for the current federal election campaign. I am honoured to accept your invitation to attend both debates in Montréal on April 16, 2025, and April 17, 2025.

I look forward to the opportunity to engage in a discussion in both official languages in a forum that is fundamental to our democratic process. Election debates offer a platform for leaders to present their vision and outline their policies in a way that allows voters to make informed choices. An open exchange of ideas ensures transparency, accountability, and a stronger democracy for all.

This election is about building a stronger, more secure, and more prosperous Canada. I welcome the chance to share my vision for growing the economy, creating jobs, and making life more affordable while addressing the challenges we face as a country from President Trump's unjustified tariffs.

I appreciate the work that goes into organizing these debates and commend your commitment to fostering civic engagement.

Sincerely,

The Rt. Hon. Mark Carney, P.C.

Leader of the Liberal Party of Canada
